CLERK, U.S. DISTRICT COURT

By at Deputy

UNITED STATES DISTRICT COURT

for the

District of _____

Harold S. Field

Plaintiff(s)

(Write the full name of each plaintiff who is filing this complaint. If the names of all the plaintiffs cannot fit in the space above, please write "see attached" in the space and attach an additional page with the full list of names.)

-v-

United States Environmental Protection Agency

Defendant(s)

(Write the full name of each defendant who is being sued. If the names of all the defendants cannot fit in the space above, please write "see attached" in the space and attach an additional page with the full list of names.)

Case No.

2-19CV-120-D

(to be filled in by the Clerk's Office)

COMPLAINT AND REQUEST FOR INJUNCTION

I. The Parties to This Complaint

A. The Plaintiff(s)

Provide the information below for each plaintiff named in the complaint. Attach additional pages if needed.

Name	Harold S. Field
Street Address	2101 Julian Blvd
City and County	Amarillo, Potter County
State and Zip Code	Texas 79102
Telephone Number	1 - 806 - 372 - 3313
E-mail Address	haroldfield@sbcglobal.net

B. The Defendant(s)

Provide the information below for each defendant named in the complaint, whether the defendant is an individual, a government agency, an organization, or a corporation. For an individual defendant, include the person's job or title (if known). Attach additional pages if needed.

Defendant No. 1

Name

United States Environmental Protection Agency

Job or Title *(if known)*

Street Address

1200 Pennsylvania Ave N.W.

City and County

Washington

State and Zip Code

District of Colombia 20460

Telephone Number

E-mail Address *(if known)*

Defendant No. 2

Name

Job or Title *(if known)*

Street Address

City and County

State and Zip Code

Telephone Number

E-mail Address *(if known)*

Defendant No. 3

Name

Job or Title *(if known)*

Street Address

City and County

State and Zip Code

Telephone Number

E-mail Address *(if known)*

Defendant No. 4

Name

Job or Title *(if known)*

Street Address

City and County

State and Zip Code

Telephone Number

E-mail Address *(if known)*

II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal court jurisdiction? *(check all that apply)*

☒ Federal question ☐ Diversity of citizenship

Fill out the paragraphs in this section that apply to this case.

A. If the Basis for Jurisdiction Is a Federal Question

List the specific federal statutes, federal treaties, and/or provisions of the United States Constitution that are at issue in this case.
All EPA rules, regulations, and laws pertaining to emissions into the atmosphere which were enacted after January 1, 1990 and are not specifically to prevent human harm should stop being enforced immediately.

B. If the Basis for Jurisdiction Is Diversity of Citizenship**1. The Plaintiff(s)****a. If the plaintiff is an individual**

The plaintiff, *(name)* _____, is a citizen of the State of *(name)* _____.

b. If the plaintiff is a corporation

The plaintiff, *(name)* _____, is incorporated under the laws of the State of *(name)* _____, and has its principal place of business in the State of *(name)* _____.

(If more than one plaintiff is named in the complaint, attach an additional page providing the same information for each additional plaintiff.)

2. The Defendant(s)**a. If the defendant is an individual**

The defendant, *(name)* _____, is a citizen of the State of *(name)* _____. Or is a citizen of *(foreign nation)* _____.

b. If the defendant is a corporation

The defendant, (name) _____, is incorporated under the laws of the State of (name) _____, and has its principal place of business in the State of (name) _____.

Or is incorporated under the laws of (foreign nation) _____, and has its principal place of business in (name) _____.

(If more than one defendant is named in the complaint, attach an additional page providing the same information for each additional defendant.)

3. The Amount in Controversy

The amount in controversy—the amount the plaintiff claims the defendant owes or the amount at stake—is more than \$75,000, not counting interest and costs of court, because *(explain)*:

III. Statement of Claim

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the injunction or other relief sought. State how each defendant was involved and what each defendant did that caused the plaintiff harm or violated the plaintiff's rights, including the dates and places of that involvement or conduct. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

A. Where did the events giving rise to your claim(s) occur?

Limiting emissions which become aerosols in the atmosphere causes Global Warming which is damaging worldwide. Prior to 1990 there was global cooling with many aerosols in the atmosphere and as they were restricted we reached what most people consider a normal global temperature. If all post 1990 air restrictions which do not pertain substances poisonous to humans are eliminated the atmospheric temperature will quickly cool to 1990 levels. Letting the aerosols increase back to the 1990 level will not be perceptible but will make a big difference in global warming.

B. What date and approximate time did the events giving rise to your claim(s) occur?

For many years prior to the formation of the EPA, aerosols of every sort collected in the atmosphere until air quality was unacceptable and environmentalists were concerned about a coming "Ice Age". After twenty years of magnificent work, the EPA had an acceptably clean atmosphere, the "Ice Age" threat was gone, continued to place restrictions on aerosols, and caused the Global Warming we are experiencing today.

C. What are the facts underlying your claim(s)? (For example: What happened to you? Who did what? Was anyone else involved? Who else saw what happened?)

There is long documented history concerning earth cooling caused by aerosols in the atmosphere and there will always be aerosols from natural sources. The primary temperature of the earth is determined by how much of the sun's infrared heat gets through the atmosphere and everything in the atmosphere reduces the earth's temperature. There is absolutely no aerosol of any sort which when reduced in the atmosphere will not cause global warming. The EPA claims their current rules and regulations are intended to reduce global warming when in fact the rules and regulations are causing global warming.

IV. Irreparable Injury

Explain why monetary damages at a later time would not adequately compensate you for the injuries you sustained, are sustaining, or will sustain as a result of the events described above, or why such compensation could not be measured.

The cost of Global Warming since 1990 is enormous but it cannot reasonably be determined and no effort should be made to compensate anyone. When the regulations are no longer enforced it will take only a few weeks to have 1990 temperatures but it will be more than a year for the weather patterns to hopefully change for the better.

V. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

The damages will continue as long as the post 1990 rules and regulations are in place and there are no predictions as to what various parties might claim after the EPA is made aware that they are causing the Global Warming.

The EPA must show with laboratory style demonstrations using scientific data conducted by Registered Professional Engineers that each post 1990 action did not caused earth or atmospheric temperature increases. Enforcement may resume if there is no evidence that the law, rule or regulation has any temperature consequences.

VI. Certification and Closing

Under Federal Rule of Civil Procedure 11, by signing below, I certify to the best of my knowledge, information, and belief that this complaint: (1) is not being presented for an improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation; (2) is supported by existing law or by a nonfrivolous argument for extending, modifying, or reversing existing law; (3) the factual contentions have evidentiary support or, if specifically so identified, will likely have evidentiary support after a reasonable opportunity for further investigation or discovery; and (4) the complaint otherwise complies with the requirements of Rule 11.

A. For Parties Without an Attorney

I agree to provide the Clerk's Office with any changes to my address where case-related papers may be served. I understand that my failure to keep a current address on file with the Clerk's Office may result in the dismissal of my case.
